

Prospective Students with Disabilities/Spring 2006 or Later

The University of New Orleans (UNO) is committed to providing for the needs of enrolled or admitted students who have disabilities under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA).

In general, University policy calls for reasonable accommodations to be made for students with documented disabilities on an individualized and flexible basis. It is the responsibility of students, however, to seek available assistance at the University and to make their needs known.

If you have a disability and will require academic accommodations while enrolled at UNO, please take this opportunity to self-identify to the Office of Disability Services (ODS). Please be advised, however, that you must provide appropriate documentation of your disability and make an appointment with ODS in order to be eligible for academic accommodations.

You may voluntarily complete this form, providing whatever information you think is necessary to begin the process of registering you with ODS for accommodations. As possible, please also submit the necessary documentation to our office. ***Please do not submit this information until after January 1, 2006.***
